Do you have an old recording of the Bible being read on cassette tape? The ladies of the WMU and the Gail Odom Circle will be collecting these "Bible on Tapes" (*cassette tapes only; NO CDs*) for the Vision Tape Ministry, which distributes them to the blind. Donations will be accepted through Sunday, December 18.

Children's Notes

I am SO thankful for all our boys and girls in the Children's Department! What a special group you are! It is so exciting to see your smiling faces every Sunday morning as you come to worship, learn, and have fun together. Also, I am thankful for our wonderful teachers who love Jesus and give of themselves to guide our boys and girls!

Each time our news goes out, we are on the verge of having another fun time together. Tomorrow we will share an exciting "Harvest Festival" at the Davis' home in Wing. We are so grateful they invited us to come to their home!

Coming in January, we will have another "New Christian Class" for all of our boys and girls who have made professions of faith in the past few months.

Hope you all had a Happy Thanksgiving! God is so good and blesses us so much everyday - be sure and tell Him how grateful you are!

See you Sunday!
Ms. Susan
